24 JANUARY 1961

Major General A. R. Bolling, GSC
Deputy Director of Intelligence
Department of the Army
Washington, D. C.

Dear General Bolling:

I warmly welcome the opportunity presented through your letter of 12 January to furnish speakers to deliver strategic estimates during the Thirteenth Course of the Strategic Intelligence School.

With your concurrence, the requested Strategic Estimates will 25X1 be delivered by the following speakers:

| | |
|---------------------------|-------------|
| Latin America | 24 February |
| Western Europe and Africa | 3 March |
| Middle East | 8 March |
| Far East | 13 March |
| USSR and Satellites | 23 March |

These speakers are well qualified in their respective fields and the association, I am confident, will be a mutually rewarding one.

I suggest that your School effect initial liaison on the entire 25X1 program through [redacted] who may be reached at telephone extension [redacted] Central Intelligence Agency.

Your evaluation of Mr. Ludwell Montague's lecture in the School's Twelfth Course is appreciated. I trust that the proposed 25X1 broader CIA participation in your curriculum will add to the effectiveness of both our national and our military intelligence efforts.

Sincerely yours,

ORE:S/ [redacted] jw
